ANNUAL REPORT  
OF THE  
TRUSTEES  
OF THE  
NEW YORK SOCIETY LIBRARY.

---

The Trustees of the New York Society Library respectfully submit the following report of its affairs and condition at the close of the fiscal year ending March 31, 1891.

From the report of the Treasurer herewith submitted, it will be seen that the receipts from all sources including the balance brought over from last year amounted to \$14,374.87, and the disbursements (including the sums transferred to capital account), \$12,551.81, leaving a balance on hand of \$1,825.06.

Of this amount the sum of \$1,332.56 is the balance of income of the "Green Fund," \$33.97 being available for the purchase of books, &c., for the "Green Alcove," or art department, and \$1,298.59 to be used for the purchase and binding of books of general literature except prose fiction. From this income of the Green Alcove department there is still due to foreign booksellers \$387.60, not chargeable to the general funds.

From the income of the general fund, the treasurer has been able to pay off a heavy assessment to the city, and three years insurance in advance, and yet to leave a balance in the treasury of nearly \$700. The sum of \$1,000 now on deposit in the Union Trust Co. to secure the payment of the assessment being no longer needed for that purpose, is transferred to capital account, and, with other funds now in the Manhattan Savings Institution awaiting investment, is about to be loaned on bond and mortgage.

The amount paid for salaries is really less than that paid during the preceding year. The apparent increase is owing to the fact that a portion of the salaries heretofore included in the disbursements from the income of the Green Fund is now charged to the general fund.

The amount expended for books is larger than during the preceding years, 1500 vols. having been added.

There has been a slight increase in the number of members availing themselves of the privileges of the Reading Room and Library, especially in the number of temporary subscribers.

Since the last annual meeting, the Board of Trustees have met with a great loss in the death of Mr. James M. McLean. Elected a trustee in 1880, he served the Library most faithfully for ten years. His wise counsels and considerate

action, coupled with unflinching urbanity, made him a most useful member and charming companion. His fellow Trustees take this opportunity of expressing their high appreciation of his services, and their sincere sorrow at the loss of so true a friend.

In the death of Mr. John Forbes, First Assistant Librarian, the Library has to regret the loss of an efficient servant. Seventeen years among the books made him so familiar with them as to render his services most useful and valuable.

The vacancy thus caused has been filled by the promotion of the Second Assistant, and another assistant has been employed.

The complete and correct catalogue of the Art Collection in the "Green Alcove," promised in the last annual report, has been prepared in manuscript ready for the printer, and a card catalogue by subjects is now in course of preparation.

April 1, 1891.

FREDERIC J. DE PEYSTER,

*Chairman.*

TO THE  
 TRUSTEES  
 OF THE  
 NEW YORK SOCIETY LIBRARY.
